Barry, with 7 years of experience in sales has recently made a transition into the recruitment industry. Leveraging his background in sales and his previous work as a plumber within the construction sector in Hong Kong, Barry brings a unique perspective to his role as a Recruitment Consultant.

With his sales expertise and firsthand knowledge of the construction industry, Barry is adept at filtering and selecting the most suitable candidates for various roles. His understanding of the industry's dynamics, work culture, and specific requirements allows him to effectively match candidates with the right positions, ensuring long-term retention and delivering collective value to both the candidates and the hiring companies.

Barry's ability to leverage his experience as a plumber within the construction industry gives him a competitive advantage in understanding the needs and nuances of the roles he recruits for.
