LinkedIn

Cameron, a seasoned innovator known for achieving remarkable share price uplifts in his leadership of publicly traded companies. With a track record including approximately 12x, 3x, and a 6x share price increase within two years of listing, Cameron is a true visionary.

As the Founder and inaugural CEO of Metal Tiger PLC (LON:MTR) and Co-Founder and Executive Chairman of Coinsilium Group Ltd (LON: COIN), Cameron led groundbreaking ventures, including the world's first blockchain industry company to IPO successfully.

Currently CEO and Founder of Tally Ltd, a Non-Bank Financial Institution offering the world's first non-fiat bank accounts, Cameron is at the forefront of financial innovation. Simultaneously serving as Joint CEO of First Equity Limited, RGH's FCA-licensed London broking firm established in 1987, he brings a wealth of experience to the financial sector.

Cameron Parry is not just a business leader; he is a visionary shaping the future of finance, blockchain, and public offerings. His relentless pursuit of innovation and success positions him as a driving force in the dynamic landscape of modern business.
