Kelvin Winston | Partner

✉ kelvin.winston@rgh-global.com

LinkedIn

Kelvin has worked in the recruitment industry since leaving NMJ (New Media Journey) in 2018. He has provided resource solutions globally for start-ups, Scale-ups, SMEs, and major corporations such as MediaMonks, Decoded Advertising, Digital Matter, and 77Agency) amongst others.

Having always had a keen interest in IT and recruitment, Kelvin has worked with the departments of major media agencies and brands and is also looking to expand his knowledge in other emerging technologies to help scale brands and professional institutions.

Kelvin is passionate about helping candidates find the right opportunities and exceeding clients expectations. He also thrives on helping our partners and team members achieve greater heights. Kelvin also enjoys time with his family and friends, driving, and watching movies!
