Pamela Easen is a vastly experienced recruitment professional well respected throughout the healthcare and recruitment industries.

A registered nurse and former care home operator, Pamela is the healthcare divisional director of The TEAM Network, the UK's largest network of independently owned recruitment and employment businesses.

Born and educated in Liverpool and now living in Worcestershire, she is co-founder of The Talent Partnership, which recruit for a wide range of specialist roles across sectors, including professional services, project management, marketing, sales, and technology.

As a successful female business owner for over two decades and mother of six, Pamela is passionate about issues surrounding women in business and entrepreneurship. She is a past speaker at Recruitment International's Gender Diversity in Recruitment Conference.
