Philippa de Marris | UK Chief Operating Officer

✉ philippa.demarris@rgh-global.com

Philippa has operated in some of the most renowned organisations, gaining cross-sector exposure in both the private and public sectors, adapting quickly to new working practices, and engaging with stakeholders up to C-suite level.

Their primary focus is within the UK and Europe and they have worked within several police forces and the NHS. In private sectors they have specialised in Healthcare, Financial Services, Information Technology and Consultancy.

One of their unique strengths is an intuitive ability to understand people and apply predictive behaviour modelling to predict future client behaviours accurately.

They thrive on a challenge and make the impossible happen, building solutions that transcend functional barriers and instil a more cohesive environment.

- Focus on Private Healthcare with ongoing bids within the Public Sector to expand our fast-growing Healthcare division.
- Leading the bid sector division and heading up our Public Sector division.
- Operational day to day management of RGH Global focussing on continued operations and growth development along with existing partnerships.
