LinkedIn

Stewart has worked in the recruitment industry for 25 years and brings a wealth of knowledge and experience to RGH across Search and Selection, retained assignments, temporary and permanent placements.

Stewart's background over these decades has been working in both the international market assisting both the NHS and Private clients based in the UK and NI with staff from overseas as well as the UK market. With his vast experience in business, Stewart is always looking for ways for clients to reduce their staff turnover and implement new and exciting ways to attract the right staff that stay with you.

Stewart is a very sociable, he likes to spend time with family and friends. When he is not entertaining you can find him on the golf course, his favourite release from work.

- Based in London but works the International markets delivering candidate & client focused professional services.
- Provides a first-class service to new and existing clients. within the Healthcare sector.
