**LinkedIn**

Tina works as part of the team to drive the success of the initiative and implement global solutions as a result of open collaboration.

She has partnered with and designed an outplacement for Qantas Airlines, specialises in Tax Law and specialist senior roles for the Government, and has had involvement in highly confidential Federal and local government recruitment projects, as well as senior commercial roles.

Tina has covered a number of sectors, including Education, Energy, Rail, Legal, Logistics and Supply Chain, Manufacturing, Engineering, Facilities, Technical and Executive, Senior Government, Banking and Finance, Insurance, and Superannuation.

Now back in her home country, Australia, Tina still covers several regions and always endeavours to conquer more!

- Sourcing Sales professionals for Technology & Software Companies, Financial Services clients and Service Providers
- Private and Wealth Management, (senior private bankers and Business Development)
- Fintech and Digital Asset Management, (Cryptocurrency and Digital Asset Management sales people and senior management/ Board level roles)
