Paul Stephens | Partner

✉ paul.stephens@rgh-global.com

Paul's career in FM and Maintenance recruitment epitomizes dedication, expertise, and continuous growth. Beginning in sales at Planned Maintenance Engineering Ltd., he honed his skills under industry leaders before transitioning into FM and building maintenance recruitment.

Specializing in providing engineering personnel to diverse sectors, Paul established a robust network of industry leaders and expanded his recruitment scope to senior positions within hard and soft services. His integrity, exceptional service, and ability to exceed targets propelled him to director level, solidifying his leadership in the industry.

Paul's unwavering commitment to excellence and deep industry knowledge continue to drive his success. Dedicated to delivering outstanding service and fostering strong relationships, he remains a respected leader in FM and maintenance recruitment.
